Sirs:

I'm a Chilean lawyer. My wife is a Spanish teacher. We'd like to be a year in England with our 7 children, 6 of them students: 3 girls, 15, 7 and 5 years old, and 3 boys, 12, 10 and 8 year old. We want our children to learn the language in an English Catholic School.

May you mail us the Handbook containing information about Catholic Schools in U.K.? May you give us any other information? We're planning to leave in the next August.

Please, let me know the way to cancel any cost.

Thank you very much in advance for your help.

Sincerely,

Ricardo Rivadeneira
